The snow has melted, birds are singing, and the grass has started to turn green. It is my pleasure to share this season of renewal and hope with you in our Spring/Summer 2019 Newsletter. We have had an action packed few months and so much to tell you about our House Members, our Friendship Group and Circle of Friends and also about one of our staff members.

Debbie Gascon is an important staff member at Katie's House. ... Debbie joined us about six years ago and has become our "Indispensable Person" at our FG and CoF activities. Katie's House has come to rely on her not only at our Friday night activities but also for all her loving care shown to Katie and Katie K at their house. THANK YOU, DEBBIE!!

Love, Katie

Our Friendship Group and our Circle of Friends enjoy their art classes... can you spot an emerging Picasso here?

Tiffany, one of our residents, volunteers to groom Horses at Equine Tranquility Wellness Center and loves her riding lessons there.

Katie K, As you can see from her beautiful smile, was happy to “ski for the gold” in the Special Olympics... Katie K is one of our House Residents and she is Katie’s “Roomie”.

Jeremy also “skiing for the Gold” and having the time of his life at the Special Olympics. Jeremy lives with Richard in one of our houses.

Our Friendship Group and our Circle of Friends, totaling sixty members, meet every Friday night for activities aimed at developing social skills, enriching their lives and having fun. Tonight, the groups enjoyed laser tag and arcade games.
